4-H SWINE ENTRY

TERMS AND CONDITIONS

1. All swine entered in the State Fair 4-H show must be owned, individually identified by ear notches and cared for by the 4-H member by May 15th. These animals must remain in the same continuous ownership through show day at the Indiana State Fair. **Animals with fresh ear notches or ear notch changes after May 15 will be disqualified.**
2. A 4-H'er may enroll and identify a maximum of 15 gilts and 15 barrows by May 15.
3. Individual animal ear notch numbers must be submitted to the county Extension office on a state 4-H swine enrollment form prior to May 15. Ear notches will not be changed on State Enrollment forms after May 15th for any reason. It is the 4-H members' responsibility to make sure that the ear notches that are marked on their enrollment forms are identical to the ear notches in their 4-H barrows and gilts. Any discrepancy in the actual ear notches from those listed on the white copy of the swine enrollment form will result in disqualification of the

animal from the 4-H swine show at the Indiana State Fair. No two (2) crossbred barrows or crossbred gilts from the same family may have the same ear notches.

4. 4-H'ers may enter and show a maximum of two (2) barrows and two (2) gilts in the State Fair 4-H swine show.
5. Each animal may be entered and shown by only one (1) 4-H member at the Indiana State Fair.
6. 4-H animals purchased, sold or offered for sale after the enrollment deadline and prior to the Indiana State Fair (**including animals that have gone through a "Premium Only Auction"**), shall not be eligible to show in the 4-H show at the Indiana State Fair.
7. **Prior to June 1st**, the 4-H member should contact the County Extension Office to obtain a State Fair entry form, or print the entry form from the web at www.indianastatefair.com. **Please check this website for availability of online entry.**

NEW: The Indiana State Fair Board is requiring all Indiana Exhibitors to provide the Indiana State Board of Animal Health required Premise ID number on all entry forms for beef and dairy cattle, goats, swine and sheep. Indiana exhibitors of horses, poultry, llamas and alpacas as well as out of state exhibitors will be requested to voluntarily provide Premise ID numbers.

To obtain a Premise ID # please contact the Indiana State Board of Animal Health at telephone number 877-747-3038 Ext. 328. Information can be found on the Indiana State Board of Animal Health website at www.in.gov/boah.

8. **Prior to June 1st**, each 4-H'er must postmark (**no metered mail**) the completed State Fair entry form and send it along with a \$15 fee per project (ie., \$15 for swine (1 project), \$15 for beef (1 project), etc.) to the entry department, Indiana State Fair. An **additional** \$50 fee per exhibitor per department (project) must accompany each entry postmarked from June 2nd -July 31st. Only hand delivered entries will be accepted from August 1 until check-in time, and these entries must be accompanied by an **additional** \$50 late fee per project/per exhibitor **plus** a \$50 fee per animal.

WARNING! IF ALL OF THE INFORMATION IS NOT COMPLETED ON THE ENTRY FORM AND PAYMENT ENCLOSED, THE ENTRY WILL BE RETURNED TO THE 4-H MEMBER AND WILL BE SUBJECT TO ALL APPLICABLE LATE FEES.

9. Confirmation of entries made by mail prior to June 1st in the State Fair Entry Department will be mailed back to the exhibitor. Confirmation of entries made from June 2nd - July 31st in this department will be mailed if there is sufficient return mail time. Exhibitors should bring confirmation received in the mail or if online entry the electronic confirmation with them at the time of check-in. Confirmation of entries cannot be made over the phone.

10. Slick clipping or body shaving of 4-H barrows and gilts is prohibited. Animals slick clipped or body shaved will not be allowed to exhibit. A minimum of one half inch of hair in length on the body is preferred by the packers that purchase and process these animals. Animals having less than one half inch of hair in length on the body may be condemned by the processor. 4-Hers will not receive carcass payment for animals that are condemned.
11. 4-H exhibitor tickets will not be mailed to 4-H'ers. They will be distributed at the barn during check-in.

All exhibitors entering the Fairgrounds on or after Wednesday, August 8, **must pay admission or an exhibitor ticket is required.** Any exhibitor leaving the Fairgrounds, wishing to return the same day **must** obtain a hand stamp from the gate attendant or pay admission to re-enter. This policy will be strictly enforced.

12. After your fair auction is completed, the 4-H'er must have the Extension Educator cross out those animals that have been sold at the auction (**including animals that have gone through a "Premium Only Auction"**) and obtain the yellow copy of the enrollment form. If auctioned animals, including animals that have gone through a "Premium Only Auction," are on brothers/sisters forms, they must be marked out on all forms. The yellow copy of the enrollment form must be hand carried to the State Fair registration table to confirm entries.

ARRIVAL AND RELEASE PROCEDURES

1. Upon arrival, all trucks and trailers must enter Gate 3 from 38th Street to receive an unloading number. In the event that the unloading area is filled, you will be directed to the infield or 46th Street lot. Trucks will be released by swine and traffic departments as unloading spaces are available.
2. Inside Gate 3, follow directions for unloading.
3. Animals must be inspected by designated department staff.
4. Pen pigs and move in supplies. 4-H exhibitors will not be assessed a pen rental fee. Pens will be assigned by the State Fair personnel under the department director's supervision. **Each 4-H swine exhibitor will be assigned one (1) pen for their hogs. However, 4-H exhibitors with only one animal may be required to share a pen(s). All tack pens, if available, will be shared.**
5. **Once a 4-H vehicle is backed up to unload at the swine barn, the 4-H family will have 15 minutes to unload their hogs and their tack. At the end of this time, the vehicle will be towed if it hasn't been moved.** All 4-H trailers and large trucks must be parked in the 46th Street lot; therefore, as soon as your unloading has been completed, move your "rig" following the route designated by the traffic department.
6. Transportation will be provided for exhibitors from the 46th Street lot to Gate 1 (Main Gate on 38th Street) and from the same location to the 46th Street lot.

7. 4-H animals and exhibitors will be released at the published times.
8. When you are ready to depart, you must clean your pen and secure a release form from the office before leaving the grounds. Bring your "rig" to the same loading and unloading area. You must have a gate pass to get your "rig" in Gate 3.

4-H SWINE EXHIBITION TERMS AND CONDITIONS

1. The Department Director reserves the right to change which show ring and/or judge will be used for breed shows at any time, during the 4-H swine show.
2. Read official health terms and conditions, general terms and conditions and official ownership rules located in the front of the State Fair 4-H/FFA Handbook/Premium List. Especially note terms and conditions on tampering, misrepresentation, conduct, drugs, pumping, forced filling, etc.
3. Officials reserve the right to require mandatory drug, steroid, saliva and tissue testing of animals/carcasses. 4-H'ers and parents consent to drug and/or steroid testing as a condition for entering. All breed champions and reserve breed champion gilts and barrows will be drug tested. Refusing tests will be cause for disqualification.
4. **Each 4-H exhibitor will be assigned one (1) pen for their hogs. However, 4-H exhibitors with only one animal may be required to share a pen(s). All tack pens, if available, will be shared.** No pens will be reserved prior to animal arrival. Pens will be assigned in the order of arrival - not by breed groupings. 4-H'ers wishing to pen together must arrive together. Most pens are 6' x 8' and will hold up to four (4) pigs (barrows and gilts together). If you want your pigs separated, bring either 6' or 8' dividers. **Pen partitions may not be removed.**
5. All exhibitors should be aware that space in the swine barn is limited. In order to ensure space for all exhibitors some 6 x 6 pens may be used in the swine barn. The department director reserves the right to require any exhibitor with only one pig to share their pen with another exhibitor. In cases where the director requires a pen to be shared the State Fair will provide divider gates.
6. In order to pre-bed the barn to facilitate unloading of 4-H animals **THE INDIANA DUROC, HAMPSHIRE, YORKSHIRE and SPOTTED ASSOCIATIONS** will sponsor one bag of shavings per pen for the 4-H show. No other shavings will be provided and exhibitors are responsible for any additional bedding.
7. **NO CATTLE FANS OR LARGE ELECTRICAL APPLIANCES** (including refrigerators) will be allowed in the swine barn in order to ensure the comfort and well being of the animals. **ONLY** household type box fans, preferably on a wooden 2" x 4" riser, will be accepted.
8. No electrical generators will be permitted on the Fairgrounds.

9. No large (cattle size) show boxes will be allowed in the swine barn.
10. All barrows and gilts must be tagged and weighed.
11. Barrows and crossbred gilts will be re-weighed at the time of judging. If they exceed the weigh-in weight by 15 pounds or more, they will be disqualified.
12. All barrows and gilts will be classified, sifted, and have their ear notches verified. (see the next page for a description of breed requirements).
13. A 4-H pig enrolled in a particular breed may be changed to the crossbred division before final entries are made at the State Fair entry table. A pig enrolled as a crossbred animal will not be allowed to switch to a purebred classification after May 15th.
14. Breed sifting, clarification and/or verification committees shall be appointed by the Department Director, and their decisions will be final. Animals sifted for breed purity concerns will be permitted to show in crossbred classes.
15. Breeds are required to have a minimum of five (5) market animals and/or five (5) breeding animals in order to offer breed classes. Breeds that have fewer than five (5) market and/or breeding animals will show in an AOB class if offered. If no AOB class is offered the breed will have the option of showing the animals in crossbred/commercial classes or holding a breed show with no cash premiums, no champion cash awards and no eligibility for the winning animals to compete against the other breeds in Grand Champion classes.
16. The Hoosier Hampshire Breeders' Association reserves the right to pull blood samples from any class winning barrow or gilt and the Champion and Reserve Champion 4-H Hampshire barrows and gilts for DNA testing to verify parentage and to ensure breed purity by verifying that the animals are free of the "color gene" and the "stress gene". Gilts and barrows will be required to be "stress gene free" in 2007. If any of the Champion or Reserve Champion 4-H Hampshire barrows or gilts cannot be verified to the Hampshire parentage listed on the animal's registration certificate and/or they test positive for the "color gene" or the "stress gene," the animal will be disqualified. If the Champion 4-H Hampshire barrow or gilt is disqualified (for failing Hampshire parentage verification and/or because they are a carrier of the "color gene" or the "stress gene"), the Reserve Champion 4-H Hampshire barrow or gilt will be elevated to the champion status, assuming they have passed the DNA testing listed above.
17. The Indiana Yorkshire Association reserves the right to pull blood samples from the Champion and Reserve Champion 4-H Yorkshire barrows and gilts for DNA testing to verify parentage, and to ensure the animals are free of the "stress gene." If any of the Champion or Reserve Champion 4-H Yorkshire barrows or gilts cannot be verified to the Yorkshire parentage listed on the animal's registration certificate and/or they test positive for the "stress gene," the animal will be disqualified. If the Champion 4-H Yorkshire barrow or gilt is disqualified for failing their parentage verification and/or because they are a carrier of the "stress gene," the Reserve Champion 4-H Yorkshire

barrow or gilt will be elevated to the Champion status, assuming they have met their parentage verification and are "stress gene" free.

18. Substitute showmen must be approved in writing by the 4-H show manager 24 hours prior to the showing of the animal(s) needing a substitute showman. Substitutions will only be granted for medical emergencies, conflicts with showing other animals, or desperate circumstances deemed unavoidable by the 4-H Swine show manager. Failure to be excused from a job and/or participation in a sporting event or sports practice will not result in a substitute showman being granted.
19. An Indiana State Fair pin will be awarded to all exhibitors.
20. Sale of Champions: Once an exhibitor has had an animal/exhibit selected for the Sale of Champions, no additional animal(s)/exhibit(s) will be eligible for selection into the Sale of Champions.
21. Dormitory facilities for boys, girls and parents will be available for a limited number of those who are exhibiting 4-H swine only. Exhibitors must furnish their own bedding and purchase a badge and key at the swine barn office. The curfew is midnight each night. A person may not reserve a bed in more than one barn.
22. The swine barn has the reputation of being clean and presentable at all times for Fair visitors. Each 4-H member is responsible for keeping his/her pen and aisle area clean at all times. The material removed should be put in wheelbarrows (furnished by the State Fair Board) and taken to the disposal area, located on the east side of the barn.
23. All 4-H exhibitors must clean out their pens and secure a release form before leaving the fair, or fair premiums will be forfeited.
24. The open class entry deadline is July 1. 4-H gilts and barrows may be entered in the open class after the open class entry deadline with payment of all applicable fees and late fees.
25. 4-H hogs must stay within 25 feet of the swine barn at all times unless they are being transported to the Grand Drive or the 4-H Sale of Champions.

SWINE SHOW CLASSIFICATION GUIDELINES

BERKSHIRE

All Berkshire swine must be registered by the American Berkshire Association (ABA), PO Box 2436, 1769 US 52 West Lafayette, IN 47996. Said registration paper must be presented at time of check in. The ABA is the only Berkshire swine registry recognized by the National Association of Swine Records (NASR) and the National Pedigreed Livestock Council (NPLC).

Berkshire barrow requirements:

1. A black and white animal with erect ears exhibiting Berkshire character.

2. A Berkshire must have white on all four (4) legs and tail (unless tail is docked). One of the white points may be missing.
3. Must be ear notched within seven (7) days of birth.
4. A Berkshire must NOT have a solid white or a solid black head from the ears forward.
5. A Berkshire must NOT have a solid black nose (rim of nose).
6. An occasional splash of white may appear on the body, as long as the white does not constitute the start of a belt.

Berkshire gilts must meet the above requirements along with the following:

1. Must have at least six (6) functional udder sections on each side of the underline.
2. Must not have a swirl on the upper half of the body.

CHESTER WHITE

Chester White barrow requirements:

1. Must possess Chester White Breed character.
2. Must be earnotched within seven (7) days of birth.
3. Must be solid white in color; no color on the skin larger than a silver dollar; no colored hair.
4. Ears must be down and medium sized.
5. Any signs of weighted ear tags or evidence of past existence of such ear tags are determined to be not permissible and are grounds for disqualification.

Chester White gilts must meet the above requirements along with the following:

1. Must have at least six (6) functional udder sections on each side of the underline.
2. Must be stress negative.

DUROC

Duroc barrow requirements:

1. Must be red in color and possess Duroc Breed Character (ears must be down and medium in size).
2. Must be earnotched within seven (7) days of birth.
3. Must NOT have any white hair located on the animal.
4. Must NOT have any black hair located on the animal.

Duroc gilts must meet the above requirements along with the following:

1. Must have at least six (6) functional udder sections on each side of the underline.

HAMPSHIRE

Hampshire barrow requirements:

1. Must be black in color with a white belt starting on a front leg. One (1) white front hoof constitutes the start of a belt. The belt may partially or totally encircle the body. An animal is eligible if the head is black and the body is totally white.
2. Must possess Hampshire Breed character (ears must be erect and not rounded).
3. Must be earnotched within seven (7) days of birth.
4. Must NOT have any red hair.
5. Must not show evidence of an extra dew claw.
6. Must be stress negative.

Hampshire gilts must meet the above requirements (except color markings) along with the following:

1. Black in color with a white belt totally encircling the body, including both front legs and feet. A gilt can have white on her nose as long as the white does not break the rim of the nose and when her mouth is closed, the white under the chin can NOT exceed what a U.S. minted quarter will cover. White is allowed on the rear legs as long as it does NOT extend above the tuber calis bone (knob of the hock).
2. Must have at least six (6) functional udder sections on each side of the underline.

HEREFORD

Hereford barrow requirements:

1. Dark to light red in color with no black spots.
2. At least 50% of the face is white in color.
3. Must have three (3) white legs with white starting at the hoof and going up at least one (1) inch.

NOTE: Results from the 2007 Indiana State Fair 4-H Swine judging, events and activities may be found on the Indiana State Fair Web site at <http://www.indianastatefair.com>

SPECIAL TERMS AND CONDITIONS FOR BARROWS

1. All barrows must be individually identified, enrolled and entered as outlined earlier in this Handbook/Premium List.
2. All barrows must be farrowed on or after January 1 of the current year.
3. Only two (2) barrows may be shown by each 4-H swine exhibitor. They may be shown in the same or different breeds and classes.
4. Any barrow showing evidence of testicular tissue is ineligible for the 4-H barrow show. If testicular tissue is discovered in a barrow during the "harvesting" procedure, the exhibitor will receive market value for the carcass but will forfeit all premium and prize money.
5. 4-H barrows will be listed according to breed and weight and divided into approximately even classes with no more than 15 in a class.
6. Barrows weighing less than 230 lbs. or more than 280 lbs. will not be eligible for the 4-H barrow show. No classes will be provided for over or under weight barrows. All over and under weight barrows will be loaded out Tuesday after the show.

7. Only one (1) weighing will be made unless a barrow weighs under 230 or over 280 lbs. One (1) re-weigh will then be allowed.
8. The top placing barrows will be re-weighed after judging until two (2) per class meet weight and identification requirements.
9. Barrows exceeding 15 lbs. of their original weigh-in weight will be disqualified.
10. Registration certificates are required for all purebred barrows when the animals are weighed and the papers checked at the Indiana State Fair. The registration certificate for purebred barrows must be transferred into the name of the 4-H exhibitor (or any of the other acceptable forms of animal ownership listed in the front of this book). Registration certificates will not be accepted for purebred barrows if the certificate is still in the breeder's name and the 4-H member's name is simply written or typed in the "transfer to _____" category on the certificate. Breed associations reserve the right to pull certificates of animals without proper breed characteristics.

Note: A faxed copy of a registration certificate will only be accepted if it is faxed directly to the Indiana State Fair from a National Breed Association office.

11. **Purebred barrows without registration certificates, barrows whose ear notches do not match the notches recorded on their registration certificate, and barrows whose registration certificate indicates the animal was mis-notched will not be allowed to show in purebred classes.** These barrows will, however, be eligible for the crossbred division, so long as their ear notches match the notches listed on the 4-H member's swine enrollment form.
12. The champion barrow in each breed will compete for the grand champion 4-H barrow. The reserve grand champion barrow will be selected from the remaining champion barrows plus the reserve champion barrow of the breed from which the grand champion was selected.
13. Once a barrow is selected as a breed champion, it cannot be withdrawn from the show by the exhibitor. The State Fair and/or State 4-H officials require the grand, reserve grand and breed champion barrows (including the champion crossbred barrow) to be "harvested". Exhibitors of breed champion barrows not selected for the 4-H Sale of Champions will receive live market value for their animal in addition to State Fair premium money.
14. All carcasses shall remain under the jurisdiction and ownership of the State Fair until such time as all carcass examinations, tissue testing, and/or any other required testing as determined by the State Fair officials or State 4-H Youth Department officials have been completed.
15. Auction checks and cash awards will not be issued until all test results are complete.
16. All 4-H breed champion market animals will be transported by the State Fair to the processing site.

SPECIAL TERMS AND CONDITIONS FOR GILTS

**Breed Champion and Reserve Breed Champion Gilts
will be drug tested in 2007.**

1. Gilts must be individually identified, enrolled and entered as outlined earlier in this Handbook/Premium List.
2. All 4-H gilts must be farrowed on or after January 1 of the current year.
3. Only two (2) gilts may be entered and shown by each 4-H swine exhibitor. They may be shown in the same or different breeds and classes.
4. All 4-H gilts must be ear notched. The ear notches of purebred gilts must be recorded on their registration papers, which must be presented for verification to the breed manager.
5. All purebred gilts must meet the registration requirements of their breed.
6. Registration certificates are required for all purebred gilts shown in the 4-H swine show, and these certificates must be presented to the swine sifting committee before 4 pm on Sunday, August 5, 2007. The registration certificate must be transferred into the name of the 4-H exhibitor (or any of the other acceptable forms of animal ownership listed in the front of this book). (See items 7, 8, and 9 under "Animal Ownership" in the front section of this book.) Registration certificates will not be accepted for purebred gilts if the certificate is still in the breeder's name and the 4-H member's name is simply written or typed in the "transfer to _____" category on the certificate.
Note: A faxed copy of a registration certificate will only be accepted if it is faxed directly to the Indiana State Fair from a National Breed Association office.
7. **Purebred gilts without registration certificates, gilts whose ear notches do not match the notches recorded on their registration certificate, and gilts whose registration certificate indicates the animal was mis-notched will not be allowed to show in purebred classes.** These gilts will, however, be eligible for the crossbred section, so long as their ear notches match the notches listed on the 4-H member's swine enrollment form.
8. Purebred gilts will be divided by age with no more than a 30-day spread in a class (not automatically into January, February and March born classes).
9. Crossbred gilts will be listed according to weight and divided into approximately even classes with not more than 15 head in a class. All gilts in the crossbred classes must weigh at least 180 lbs. **Top placing crossbred gilts will be re-weighed after judging.** Gilts who exceed 15 lbs. of their original weigh-in weight will be disqualified. Re-weighing will continue until two (2) gilts per class meet the weigh-back requirements.

10. The champion gilt in each breed will compete for the grand champion gilt. The reserve grand champion gilt will be selected from the remaining champion gilts plus the reserve champion gilt of the breed from which the grand champion was selected.

STATE FAIR 4-H SWINE SHOWMANSHIP

1. Junior showmanship - 4-H exhibitors in the 3rd, 4th or 5th grade on January 1 of the current year. Once an exhibitor is the champion junior showman over all breeds, he/she will only be eligible to compete in intermediate or senior showmanship in future years.
2. Intermediate showmanship - all 4-H exhibitors in the 6th, 7th, or 8th grades are eligible (exception only for any previous year's junior showmanship winners). Once a 4-H member is the champion intermediate swine showman, they must compete in the senior division of that showmanship category in subsequent years.
3. Senior showmanship - 4-H exhibitors in the 9th grade and above on January 1 of the current year. Exceptions only for previous champion intermediate showman over all breeds.
4. A 4-H member must show their own animal that will be exhibited by them in one of the regular State Fair 4-H swine classes. 4-H members will be allowed to show only one animal in swine showmanship and this animal must be entered in the 4-H swine show to be held on August 7-9. 4-H members who plan to participate in swine showmanship must sign-up in a specific division of a specific breed during check-in on August 4th or 5th.
5. On Monday, August 6 the showmanship judges will consider the fitting and training of the animals and the showmanship ability of each exhibitor. A champion and reserve champion showman will be selected in the junior, intermediate and senior divisions of each swine breed.

SPECIAL AWARDS

Crossbred Classic 4-H Swine Scholarships, funded by proceeds from the Crossbred Classic Boar and Gilt Sale. Two or more \$2,500 scholarships will be presented (unless there are not qualified applicants) to 4-H swine members who have exhibited in the 4-H swine department of the Indiana State Fair at least five (5) of the last ten (10) years. The recipients must have graduated from High School, be in their last year of 4-H eligibility, be of good character and be in good standing with the Indiana State Fair.

The Crossbred Classic Scholarship may be used by the 4-H recipient for any formal post high school training and/or education which leads to a degree. The check shall be made payable jointly to the 4-H recipient and the respective college, university or trade school upon receipt of notification of completion of the first semester and enrollment in the second semester. A letter of credit will be presented to the 4-H recipient during the Grand Champion barrow drive.

Applicants are encouraged to apply by logging onto www.crossbredclassic.com and downloading the application. Applications may be submitted as per the instructions on the website. Application deadline on or before July 1st.

THE AMERICAN LANDRACE ASSOCIATION will offer \$200 to the Champion Landrace Gilt in the junior show at the 2007 Indiana State Fair. To be eligible for this award, the junior exhibitor must submit a picture of the gilt along with a copy of the animal's registration paper to the American Landrace Association, attn: Mike Paul, P.O. Box 2417, West Lafayette, Indiana 47996-2417. This information must be received by the American Landrace Association within 60 days of the Indiana State Fair.

THE NATIONAL SWINE REGISTRY, P.O. Box 2417, West Lafayette, IN 47996-2417, will offer \$5,000 to the Grand Champion Barrow (Overall) and \$2,500 to the Reserve Grand Champion Barrow (Overall) of the junior market hog show (live) at the 2007 Indiana State Fair if this animal is a registered Duroc, Hampshire, Landrace or Yorkshire barrow. The exhibitor must have a transferred pedigree of the Grand Champion barrow in hand at the time of being named Grand Champion. The exhibitor must submit this animal to a DNA verification test and the animal must meet all registration requirements to receive this special premium. A representative of the National Swine Registry must collect the pedigree and must be present at the time of DNA sampling. This special premium will be paid directly from the National Swine Registry. If this animal is disqualified for any reason, the exhibitor is not eligible for this special premium.

(NOTE: If the Grand Champion Barrow Overall is disqualified, the Reserve Grand Champion Barrow Overall is eligible to move up and receive the special premium from the National Swine Registry, if this animal meets the above listed conditions. Only the Reserve Grand Champion Overall will be eligible to move up and collect the special premium offered by the National Swine Registry. Only one premium will be paid per animal.)

THE AMERICAN YORKSHIRE CLUB, P.O. Box 2417, West Lafayette, IN 47996-2417, will offer \$500 to the Champion Yorkshire Gilt in the junior breeding gilt show at the 2007 Indiana State Fair. **To be eligible for this award, the junior exhibitor must submit a picture of the gilt along with a copy of the animal's registration paper to the American Yorkshire Club, Attn: Mike Paul, P.O. Box 2417, West Lafayette, IN 47996-2417.** This information must be received by the American Yorkshire Club within 60 days of the Indiana State Fair.

Businesses or Associations wishing to sponsor 4-H awards should write to the Entry Department, Indiana State Fair, 1202 East 38th St., Indianapolis, IN 46205 by January 1, 2008.

To Promote the Positive
